B. Bachelor of Applied Arts Degree

St. Thomas University currently offers a Bachelor of Applied Arts in two areas: criminal justice and gerontology. Applied arts programs differ in substance from the BA programs in that they combine the study of liberal arts with technical training. Our applied degrees are “articulated” programs in that each is offered in partnership with one of the campuses of the New Brunswick Community College. Students in the BAA will enroll at St. Thomas for part of their program and at the appropriate community college for the rest. Upon completion of the course of study, students are normally awarded two credentials: a St. Thomas Bachelor of Applied Arts degree and a diploma from the Community College.
