fourth years of the program at St. Thomas University will focus on the further development of the student's theoretical and conceptual understanding of the criminal justice system in Canada into a broader context and framework. Through exposure to the humanities and social sciences at St. Thomas University, the third and fourth years of the program will further enhance the student's ability to think, write, and communicate effectively. The completion of this articulated program, with the two program components providing their respective emphasis on skilled practitioners and critical thinkers, will result in a competent, adaptable criminal justice practitioner.
