

HIL-2253. E. ... A. G. (E, H I₂)

VI. Tutorials and Independent Studies

NOTE: The courses listed in this section are normally intended for students capable of independent work at an advanced level.

HIL-4886.H *Independent Study in Philosophy*
 This course is designed for students who wish to pursue an independent study in philosophy. The student will work with a faculty member to develop a research paper or project. The student will be required to attend regular meetings with the faculty member and to submit progress reports. The final product will be a research paper or project of the student's own design.
